- M 3 If applicable per Candidates part C 3, the floor will be open to the Members for nomination of additional candidates. Candidates may nominate themselves.
- M 4 If applicable per Candidates part C 3, Candidates nominated from the floor will have their names written on the white wallboard as they are nominated.

The random draw is performed by writing all Candidate names on small, but equal sized pieces of paper, to be drawn from a hat, bag or bowl.
- M 8 After all candidates have completed their introductory remarks, all candidates will then be asked to leave the meeting room and assemble in the office area or outside the Activity Center.
- M 9 Any resident or Voting Member may submit any one question to all Candidates using the questioner cards, which will be given out prior to the meeting. - M 12 A new random draw will occur to determine the order of Candidates invited back into the meeting room for the Q&A session, using the following ordering procedure to account for Voting Member(s) who may need to vote:
  - (a) In the event that a Candidate is a Voting Member and does not have an Alternate, that Candidate shall go to the beginning of the order – so that they may hear the other responses.

  - (c) In the event that a Candidate is a Voting Member, and an Alternate is able to attend the Annual Meeting, that Candidate will have their name placed in a random draw of all remaining Candidates who will go after Candidates in part (a) and/or (b) above.
  - (d) In the event that there are multiple Candidates that meet part (a) or (b) above, the order for just those Candidates will be determined alphabetically by their last name. This is applicable just to the multiple candidates that meet part (a) or (b) above.
- M 13 The Chair of the Nominating Committee shall read each of the three (3) chosen questions to the Candidate.

Candidates that are Voting Members will be allowed to remain in the meeting room to hear the other response

M 18 Upon conclusion of the question & answer session, all Candidates shall return to the meeting room, and each candidate shall have up to one (1) minute for concluding remarks, to be provided in the reverse order of the introductory remarks.

M 19 Thereafter, the voting shall immediately occur.

### **Voting Rules**

V 1 To be elected, a Candidate must receive a ***plurality of the votes cast by eligible voters.***

V 2 Open, written balloting shall be used to vote for Candidates. Proxies shall not be valid or accepted.

V 3 Only a Voting Member (or his or her alternate) in attendance shall receive a ballot. Each Voting Member shall have one vote for each open position; the votes will not be weighted by the number of units in a Voting Member's neighborhood.

V 4 No one other than those individuals administering the election and each individual casting a vote may handle the ballots.

V 5 The Nominating Committee shall post vote tallies by round on the white wallboard.

V 6 Voting shall continue in rounds until Candidates receiving a plurality of the votes are elected to fill all available positions.

V 7 In the event of multiple consecutive ties for the last remaining position(s), the Nominating Committee shall ask the Voting Members to declare the vote a deadlock. In the event the Voting members declare a deadlock, the Board shall call a special meeting of the Voting Members, to be held not more than thirty (30) days after the annual meeting, for the purpose of electing a director to fill the last remaining position(s). At the special meeting, the chair may accept additional nominations from the floor for eligible candidates to fill the last remaining position(s) and the election for the last remaining position(s) shall be conducted in the same manner as the original election.

V 8 A Voting Member may vote for up to **three (3) candidates** in the first round. Voting for more than the number of positions available in any round invalidates the ballot.

V 9 Cumulative voting is not allowed. Cumulative voting invalidates a ballot. Only one vote per candidate.

V 10 Voting Members (or his or her alternate) shall write their name and village on the ballot for each round of voting and failure to do so will invalidate the ballot.

V 11 In the event a ballot is invalid, the Nominating Committee shall immediately bring the invalid ballot to the attention of that Voting Member, who shall be afforded one immediate opportunity to correct and validate the ballot.

V 12 A WCA Officer (not running for the Board), Community Association Manager and WCA Attorney shall perform the initial tally of votes for each round utilizing a summary sheet detailing how each Neighborhood voted.

V 13 The vote count shall be confirmed by the Nominating Committee before the results are announced and the vote is finalized.

V 14 Copies of the vote tally by Neighborhood for each round will be available to Meeting attendees immediately following the adjournment of the Meeting.

V 15 All ballots used during the election process are official records of the Westchase Community

Association, and as such are available for inspection during normal business hours in the Community Association Manager's office
